

# What to expect with a property inspection

## 1 BEFORE OUR VISIT

You may receive a letter from us indicating that we will be in **your community** within the next eight weeks **to inspect your property.**

Alternatively, you may receive a letter asking you to call us so we can **update or verify your property information by phone.**

## 2 DURING OUR VISIT

When we arrive, we'll present ID, measure structures, take photos and **update property details.**

If someone isn't home, we'll leave a **door hanger** with information about **next steps.**

## 3 AFTER YOUR PROPERTY INSPECTION

If there's a **change to the value or classification** of your property, we'll mail you a notice.

## 4 REVIEW YOUR NOTICE

**Review** the information included on your **notice.**

Visit [mpac.ca](https://mpac.ca) and log on to **AboutMyProperty** to access the information we have on file for your property and a copy of your **Property Assessment Notice(s).**

If you disagree with the assessment, you can file a **Request for Reconsideration.**
