

Assessment Information Request enhancements through AboutMyProperty™

Streamlined navigation:

A smoother experience with a user-friendly interface.

Pre-population:

Option to carry-over your 2024 submission, saving time and effort.

View and print:

Access and print your previous submissions for added convenience.

**ABOUT MY
PROPERTY™**

Visit mpac.ca/AboutMyProperty and experience the difference.

Your role as a property owner

You have an important part to play in providing the information requested by MPAC, which is a requirement of the *Assessment Act*.

You know your property best. By providing this information, you:

Ensure the unique details of your property are accurately reflected.

Support the delivery of quality assessments and annual assessment rolls, which municipalities use to fund essential community services.

To learn more, visit mpac.ca/AIR.
