

# Discover what you can do on MPAC AboutMyProperty™

Learning about your property assessment has never been easier. MPAC AboutMyProperty™ is a free online tool that puts your property information at your fingertips, making it simple to manage, review, and understand your assessment.

## What you can do

**Through MPAC AboutMyProperty™, you can:**

- **View your property details** – Access your property information, review notices, and track requests online.
- **Update your information** – Update your mailing address and school support designation.
- **Learn about your assessment** – See how MPAC determined your property value and compare it to similar properties in your neighbourhood.
- **Browse your neighbourhood** – Use our interactive map to explore and compare up to 100 nearby properties.
- **File a Request for Reconsideration (RfR)** – If you disagree with your assessed value or classification, you can submit a free RfR and check filing deadlines for each property tax year.
- **Access local market reports** – Stay informed about property trends in your area.
