

Your property
assessment.
Your taxes.
Here's how
they connect.

mpac Municipal Property
Assessment Corporation™

Your property tax bill is based on two things: your property's assessed value (which MPAC determines) and your municipality's tax rate, which your municipality sets based on how much revenue is needed to fund local services like roads, transit, and emergency services.

MPAC doesn't set tax rates or collect property tax. They assess and classify properties using a consistent approach across Ontario.

Curious how your property was assessed? It's free to find out.

1. Visit **mpac.ca**
2. Log in to MPAC AboutMyProperty™ with your Roll Number and Access Key (found on your Property Assessment Notice)
3. **Questions?** Call 1-866-296-6722, Monday to Friday, 8 a.m. to 5 p.m.
